GEORGETOWN PHYSICIAN ACCESS

In DC: (202) 342-3300

Outside DC: (800) 442-4200

Georgetown Physician Access puts you in direct contact with Georgetown University Hospital and its physicians. The registered nurses can connect you with the physician you identify for consultations and referrals. Or they can assist you in selecting an appropriate specialist. If you wish, the nurses can contact the specialist for a telephone consultation or take a message and ensure the faculty physician returns your call. See page 5 for additional details.

Patient and Physician Advocacy

(202) 444-3040

Patient Care Line

(202) 444-CARE (2273)

This department provides advocacy and assistance to patients, families and physicians in all care settings and acts as liaison between patients, physicians, hospital staff and departments to recognize and remove any obstacles to providing high quality care. The Department provides physician outreach services to all Georgetown University Hospital physicians, which includes concierge services in the physician lounges, and also operates the Healthcare Referral Center — a free, comprehensive telephone referral and information service for patients and physicians.

Availability: Advocates can be contacted Monday – Friday, 8:00 a.m. – 5:30 p.m. at (202) 444-3040 or by pager on the Patient Care Line (202) 444-CARE (2273). After hours, contact the Clinical Administrator through the page operator at (202) 444-PAGE (7243).

Medical Staff Affairs

(202) 444-3011

The Office of Medical Staff Affairs promotes quality patient care through the support of the Medical Staff and its functions. The primary responsibility of Medical Staff Affairs is the credentialing and privileging of practitioners at Georgetown University Hospital. Georgetown University Hospital participates in the CAQH online application system for appointments and reappointments. To obtain information about this application process, please contact one of our Credentials Coordinators.

In addition, the Medical Staff Affairs Office maintains official copies of the Hospital Bylaws, Rules and Regulations, and the Credentialing Procedure. The Medical Staff Affairs Office assigns physician numbers and functions as a resource center for physicians.

Lombardi CancerLine

(202) 444-4000

Physician and patient oncology referrals to Georgetown's Lombardi Comprehensive Cancer Center are provided by certified oncology nurse counselors. These nurse counselors also provide information about cancer research protocols, source information for patients from the National Cancer Institute and the American Cancer Society and act as a resource to identify risk factors and determine ways to reduce cancer risk. The oncology nurse counselors will make appropriate physician referrals and schedule an appointment with the oncologist as indicated.
